Nuclear Medicine in 2030: Advanced Imaging, Analytics and Therapy

March 9-10, 2024
Hilton Columbus/Polaris
Columbus, OH

Governance Day
Friday, March 8, 2024
Plan to attend the CCSNMMI's Annual Spring meeting which will be held at the Hilton Polaris/Columbus in Columbus, Ohio on the weekend of March 9-10, 2024.

*Nuclear Medicine in 2030: Advanced Imaging, Analytics and Therapy* is aimed to provide physicians, physicists, and technologists with an abundance of information on new technologies, new radiopharmacies, new processes and much, much more. In addition, leaders from the national level will give an update on the Value Initiative, advocacy and how the SNMMI works to protect our profession.

For our technologist students, don’t forget to sign up for the Quiz Bowl where students from different schools compete against each other in a nuclear medicine knowledge-based, jeopardy-style competition for bragging rights and to earn their name on the Quiz Bowl trophy! Afterward you can explore the many shopping and dining options the Columbus/Polaris area has to offer.
